

MAKOMA MABILO

I am a versatile and passionate professional with experience in education and research. I have a proven track record in enhancing language skills and curriculum design. I excel at creating inclusive and engaging environments, utilizing my cultural intelligence to integrate diverse perspectives into my work seamlessly. With a proactive and open approach toward embracing technology, I am poised to bring my diverse skill set to make impactful contributions in dynamic professional settings.

EXPERIENCE

2023- Present

**Homeroom Teacher: The Child Academy (TCA)
Shanghai, China**

- Delivered high-impact lessons to promote English language perception and vocabulary augmentation to kindergarten students.
- Maintained effective behavioral management in the classroom through motivational activities and positive reinforcement strategies.

2021 - 2023

Homeroom Teacher: Little Lotus, Shanghai

- Managing the classroom and maintaining records of children's progress in learning.
- Developing and designing age-appropriate curriculum.
- Authoring various articles for marketing purposes and promoting the school's achievements and initiatives.

2018 - 2021

**Learning Experience Designer & ESL instructor:
Fastrack English, Shanghai**

- Created instructionally sound and engaging online learning experiences by designing relevant activities, and proposing necessary graphic and video content.
- Engaged in regular interactions with internal stakeholders to translate course blueprints into detailed course atlases/storyboards, facilitating an effective and efficient digital course building process.
